

Episode 32 Downloadable: Has the Bipartisan Infrastructure Law moved the needle on equity?

What's Equity, how is it included in USDOT programs, and what can planners do?

The federal government has made it a government wide objective to better integrate equity into its policies. Justice40 is an initiative that requires 40% of federal investment to flow to disadvantaged communities. The Bipartisan Infrastructure Law integrates Justice40 across its programs, but equity impacts are still being realized.

Equity and the Bipartisan Infrastructure Law
