

Episode 18 Downloadable: 7 Steps to Successfully Funding Your Safe Streets for All Project

What do Transportation Planners need to know about the Safe Streets for All Program?

The primary objective of the program is to support regional, local, and tribal community efforts in eliminating crashes. The program will help localities plan for and implement projects that address their local safety concerns. In this first round the USDOT has awarded grants to 473 Action Plans 37 Implementation Grants in total.
