

Episode 14 Downloadable: 9 STEPS TO DESIGNING THE CURB OF THE FUTURE

Why Do We Need to Plan for Designing the Curb of the Future?

Some alternative uses of the curb like loading zones & bike parking stands have become more common in recent times. The COVID-19 pandemic led to a change in peoples' perception of how a curb space can be used as more parklets, refuge & seating areas, wider walking areas were experimented with. With the advent of new technology in ridesharing and delivery, & regular use of autonomous vehicles on the horizon, street parking might not remain a majority use along the curbs.
